ROCKY MOUNTAIN PLAY THERAPY INSTITUTE

RESEARCH INTO PRACTICE

FOR PLAY THERAPISTS

**Would you love to keep up with Play Therapy Research but have no time?**
Do you have hundreds of Play Therapy Books on your shelves, but no time to read?
Do you want to integrate play therapy theory into parent feedback and report writing?
Would you like to remain on the cutting edge in your Play Therapy Practice?

No problem... this series is for you!

HOW IT WORKS

Research into Practice is a 6 - session drop-in live on-line group you can join from anywhere! It occurs on a Wednesday evening approximately once a month. One week prior to the meeting you will be sent a play therapy research paper or a book chapter to read. Dr. Lorri Yasenik will facilitate a group discussion where everyone can weigh in and discuss the applications to daily practice.
