

# PLAY THERAPY

## FOR CHILDREN OF SEPARATION AND DIVORCE: MANAGING THE IMPACT OF PARENTAL CONFLICT

This program is designed for child, family and play therapists who work with families going through moderate to high conflict separation and divorce.

The training covers:

- Tailoring your “Consent for Treatment” forms
- Play-based assessment and treatment process
- Use of projective and expressive play-based activities
- Best practices and current theory re: Separation and Divorce
- Working with parents- staying out of the middle
- Practical tools and case examples
